PROFILE:

Brian Barbeau has been an experienced Project Manager for over ten years and has been working at Fillmore Construction since 2012. His diverse background in the construction industry and his experience as a Red Seal Journeyman welder gives him a strong construction knowledge when managing projects. Brian's professional approach, problem solving skills and attention to detail allow him to consistently complete projects on time and within budget. Brian's motivation and commitment to quality have made him a strong addition to our team.
