PROFILE:

Jordan Janke joined the Fillmore Construction team in May of 2015 following his graduation of the NAIT Construction Engineering Technology program. Jordan has thus far demonstrated his detail oriented problem solving skills as project coordinator on a highly detailed 18 month project and has spent the last 12 months in the estimating office developing a strong understanding of tender takeoff processes.

Jordan makes an excellent addition to our team. He develops strong working relationships with the field and office people working around him as well as the client and consultants. His current training and fresh knowledge basis makes him a valuable contribution to our Fillmore Construction team.
