

PROFILE:

Scott has been a valuable asset with the Fillmore Construction team since 2014 bringing with him over a decade in the construction industry. Scott's attention to detail and persistent appetite for excellence has made him an exceptional project manager having completed a wide assortment of fixed price, design build and construction management projects for commercial, industrial and institutional clients. Scott brings a valuable perspective to any project. He knows how to complete a given scope of work in a highly cost effective manner while providing an exceptional finished product.
