

**PROFILE:**

Brian Drew has been with Fillmore Construction since 2003. Employed as a Carpenter before getting his Construction Engineering diploma, Brian advanced into an exceptional Project Manager starting in 2005. Brian was elevated to the role of VP Project Operations in 2019. Brian consistently and successfully completes projects on time and within budget, managing all aspects of a project from the budget or tender stages through to final completion. Brian's organizational skills, attention to detail, and rapport with trades enable him to complete every project smoothly and on schedule. As a well-spoken young professional, Brian is able to work through onsite disputes and settle disagreements efficiently and fairly. Brian enjoys the challenge of large, complex, and intricate projects while mentoring and coaching his project teams.
